- Cast aluminum & PC construction
- Bronze powder-coated finish
- Adjustable color settings
- Anti-Moisture Connections
- Powder-coated color options available
- 60" 18AWG wire lead
- IP65 and ETL rated
- 7 year warranty

#### DESCRIPTION

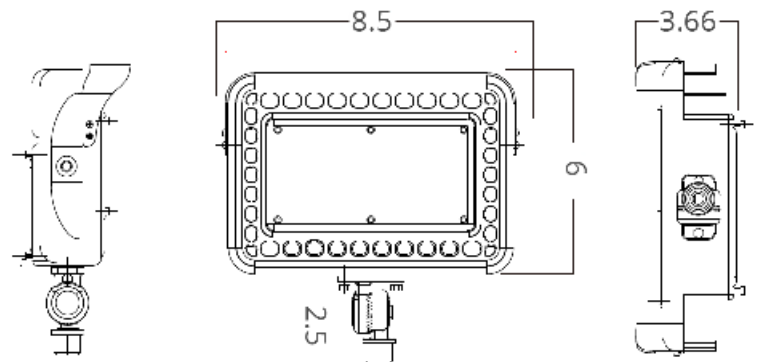

This integrated mini Flood light provides a multi-use design esthetic available with an adjustable 3000 and 5000 Kelvin settings. Available in 7W, 12W, 20W and 40W. This mini flood is great for general purpose lighting such as entry signs, wall washing and more. The aluminum housing powder coated in light bronze gives the same design feel as the brass series of lights. This allows you to mix & match with your design.

#### DIMENSIONS

##### 7W/12W/20W

##### 40W

**IP65**
